

Could You Lose Your House Driving Your Car?

If you are not carrying enough coverage, the following items could be at risk:

- **Equity in your Home**
- **Personal Property (cars, boats, belongings, rental property)**
- **401K/IRA/Stocks/Children's Education (does not include prepaid programs)**
- **Savings/Checking**
- **Potential Future Earnings (up to 40+% of your paycheck)**

Which of these items can you afford to risk?

Remember....it is never about how much the coverage costs today, but rather how much it will cost you in headaches and expenses if you do not have the proper protection when you need it!!

Are you properly protected?

With out an umbrella policy you are risking a lot for a little!
